For the immediate Cure of BARRENNESS in WOMEN, *tho' of many Years Continuance, and proceeding from what Cause soever,*

And also of

IMPOTENCY *in* MEN, *however occasion'd, or of so long Standing,*

The Famous and Inestimable

PROLIFICK ELIXIR,

The highest, richest and most powerful Cordial in Nature is recommended,

BEING the only true and infallible Cure for BARRENNESS in Women and IMPOTENCY in Men in the Universe, and which it at once accomplishes with the least Trouble, even after all other Remedies have failed. Thousands have experienced, and that by promoting the natural Curricle of the Blood and Juices, raising all the Parts from their languid, depressed State, to one more florid, sparkling, opening all Obstructions, fortifying the Nerves, encreasing the Animal Spirits, restoring a Juvenile Heat, and evidently replenishing the crispy Fibres of the whole Habit, with a generous Warmth and balmy Moisture, thereby invigorating it to such a Degree as not to be known but by those who have experienced how exceedingly and sensibly it renovates, recruits, and powerfully strengthens the Animal Faculties, and Generative Powers in both Sexes, inforces a bright, lively Disposition, banishes Melancholy, inspires Mirth and Gladness of Heart beyond Expression. A Abundance of Ladies, who for several Years were deemed incurably Barren, have after twice taking it, conceived and become Fruitful; and great Numbers of Gentlemen, who by fast living, or otherwise, had render'd themselves incapable of Procreation, have soon been enabled by it to propagate their Species, insomuch, that very many illustrious Families, for want of Children, were almost inconsolable, are now blessed with happy Issue, and are (under Providence) indebted to it as the Great Medicine for their Heirs. It rectifies all Disorders of the Stomach, creates an Appetite, procures a good Digestion, and in all Weakness of Body, or Decay of Constitution of any Kind, is a most infallible Restorative, and even keeps off the Effects of Old Age itself. It is to be taken but a few Drops at a Time, has a very fine Flavour, is pleasant to the Palate, Cordial to the Stomach, and can be had only at the Two Blue Posts in Haydon-Yard in the Minories, at 5 s. a Bottle, with Directions.

The Incomparable POWDER for Cleaning the TEETH,

Has withstood, by its most excellent and known Virtue, all the Attempts of many repeated Counterfeits; some imitating it by the Name of Powder, others under several other Names: therefore pray take Notice, that the only true celebrated and original Powder, is sold no where else, but as mentioned below: It is sent for in large Quantities from the Nations beyond the Seas, where good Allowance is given, and is as effectual in the East and West Indies as at London.

IT has given surprizing Satisfaction to most of the Nobility and Gentry in England, now 7 Years last past, that it hath been published, and vast Quantities of it still continue to be sold.

It is sold only at Mrs. King's Toyshop, the Rose-and-Crown against the Cross-Keys Tavern in Cornhill; and at Mr. Markham's Toy-shop, the Seven Stars under St. Dunstan's Church in Fleet-street, and no where else in England, at 1 s. each Box.

At once using it makes the Teeth as white as Ivory, tho' ever so black or yellow before, and effectually preserves them from rotting or decaying, continuing them sound to exceeding old Age. It wonderfully cures the Scurvy in the Gums, prevents Rheum or Defluction, kills the Worms at the Roots of the Teeth, and thereby hinders the Tooth-ach. It also fastens loose Teeth, being a neat cleanly Medicine, of a most pleasant and grateful Scent, and in Virtue far exceeds any yet ever yet found out for those Purposes.

All the Nobility, Gentry, &c. who send to Mrs. Markham for the Powder for Teeth, are desired to give strict Orders to mistake the Shop, (MARKHAM at length in the Seven Stars) because most of the Toymen in her Neighbourhood, seeing Multitudes go to her Shop for it, have set up Counterfeits and sell their Stuff in Imitation of this famous and approved Powder, in Prejudice to the Publick, &c.

The LIP-SALVE

Which is so much esteemed, and of so many Years long experience, and whose Virtues vastly exceed any of the Counterfeits, since its first Publication, is sold at the said Places at 1 s. each Box.

For in two or three Hours time it heals them, tho' ever so rough or chopt; prevents the Skin from peeling, and makes them delicately soft and smooth, giving them a beautiful round Colour; the Fragrancy of its Odour also renders the Breath fine and sweet, and it may be eaten for its Safety.
